LA&HA INSTITUTE, STEGNE 7, LJUBLJANA

A Journey Through Light: Fotona StarWalker® Masterclass

Begin your journey with an expert-led deep dive into cutting-edge pigment removal and skin rejuvenation techniques, led by Dr. Lucas Chia, as he showcases his expertise with Fotona's Q-switched laser system and the innovative FracRevive® treatment.

Join us for a dynamic and clinically focused masterclass led by Dr. Lucas Chia, an esteemed dermatologist and aesthetic laser expert with extensive international training and over two decades of experience.

This exclusive session will explore advanced treatment strategies using Fotona's Q-switched laser system for managing melasma and tattoo removal, as well as FracRevive®, an innovative two-step skin rejuvenation treatment designed to deliver impressive results with minimal downtime.

Dr. Chia, Medical Director of IDO'S Clinic in Malaysia and Indonesia, is widely recognized for his contributions to aesthetic medicine and a hands-on teaching style. Drawing from real patient cases, he will demonstrate effective clinical applications and explain key parameters for optimal outcomes.

Workshop objectives include:

- **Parameter Mastery:** Learn to navigate different parameter settings and tailor them to specific conditions.
- **Indications Overview:** Explore a comprehensive overview of indications for pigment-removal laser treatments.
- **Scientific Insights:** Understand the principles behind these minimally invasive therapies and stay informed about emerging advancements.
- **Maximize Benefits:** Discover how to enhance your aesthetic practice using Fotona laser systems.
- **Interactive Session:** Engage with the expert, ask questions, and refine your skills through case-based discussion.

A Journey Through Light: Fotona StarWalker® Masterclass

Speakers

Dr. Lucas Chia

Dr. Lucas Liang-Choong Chia received his medical training from Queen's University of Belfast, UK and a Diploma in Practical Dermatology from the University of Cardiff, UK. He is a member of the Royal College of Physicians and a Fellow of the Royal College of Physicians of Glasgow as well as Edinburgh.

Dr. Chia is the Founder & Medical Director of IDO'S Clinic chain in Malaysia and the WeCoMed Clinic in Singapore. These clinical institutions focus on comprehensive laser, dermatology and aesthetic medicine in the region. He also serves as the Medical Director of the Apex Cosmeceutical Group, a one-of-its-kind company that integrates the entire value chain of skincare from R&D, manufacturing, distribution and cosmeceutical service centres.

Dr. Chia has extensive teaching experience in adult internal medicine and cutaneous lasers. He talks regularly on the Malaysian Live TV shows and speaks at various laser conferences and workshops around the world. In 2024, he was awarded the title of official Fotona Ambassador.
